This Service & Information Manual contains material which is vital to the successful planning, marketing and management of your display in the Greater Milwaukee International Car & Truck Show. Failure to read this manual and respond promptly in ordering services could result in higher rates.

The services and contractors listed in this manual are for your convenience. Show Management suggests that you employ the services of GES, the official show contractor, for your greatest efficiency and ease, since they are familiar with the show and work schedule. All independent contractors must coordinate their work schedules with GES and comply with the guidelines and insurance requirements.

Please note that insurance policies must provide coverage for all dates from move in through move out. All policies must include additional insured information as is listed in the Important Rules and Requirements section of this manual. All insurance policies must be completed correctly. Policies that are not completed correctly will be returned. All exhibit set up contractors must submit a correct and complete policy at least thirty (30) days prior to the first move-in day of the show or they will not be permitted to work in the Exposition Hall of Wisconsin State Fair Park.

The most up-to-date exhibitor information, including CAD floor plans (DWG format) and GES forms can be downloaded at [www.AutoShowMilwaukee.com](http://www.AutoShowMilwaukee.com). Electrical, parking, catering and banner/signage forms are available via link on exhibitor section of show website. Forms for General Service Contractor are available at <https://ordering.ges.com/071601441>.

It is important that you review this manual with those persons or agents having responsibility for your participation in the show. Steve Freeman Events and the Auto Dealers Association of Mega Milwaukee thanks you for your cooperation. We wish you a most successful Greater Milwaukee International Car and Truck Show!

# **Show Advertising & Publicity**

## **Advertising**

Extensive print, radio, online and television advertising will be used to target the Greater Milwaukee area and major markets in the State of Wisconsin. Advertising will begin the week prior to the opening of the show and continue through the close of the show.

## **Dealer Advertising Support**

All dealerships, factories, and dealer advertising groups are asked to proudly support the 2021 Greater Milwaukee International Car & Truck Show by advertising your participation in the show. Your usual radio, television and print ads may be supplemented with a voice-over or drop-in auto show mention. (Example: “See the New 2022 Toyotas at the Greater Milwaukee International Car and Truck Show, May 5 through May 9”). The Automobile Dealers Association of Mega Milwaukee, Inc. greatly appreciates any show advertising you are able to incorporate into your regular advertising schedules.

## **Public Relations**

Auto show press kits, pre-show releases and all publicity will be prepared and coordinated by the Motor Trend Auto Shows public relations team.

Are you planning to bring a special display, concept car, pre-production model or unique feature to the show? Please notify DeeDee Taft with Spin Communications to ensure that it is included in the overall show publicity. She can be reached at (415) 515-1229 or email at [deedee@spinpr.com](mailto:deedee@spinpr.com).
